

KIIAC 2016

KLRCA INTERNATIONAL INVESTMENT ARBITRATION CONFERENCE

The Kuala Lumpur Regional Centre for Arbitration (KLRCA) is proud to organise in collaboration with the Institute of Malaysian and International Studies (IKMAS) an international conference on investment arbitration, on 10 and 11 March 2016.

The keynote speech will be delivered by the highly respected academic and arbitrator Brigitte Stern (France), Professor Emeritus of international law at the Sorbonne Law School in Paris (*Université Paris 1 Panthéon-Sorbonne*).

Since their emergence, investor-State dispute settlement (ISDS) mechanisms have met with a resounding success. One of the most striking testaments to this success is the steady increase in the number of investor-State arbitrations over the past several years. However, over the past decade, an increasing sceptical attitude of States towards these mechanisms is palpable. The Conference – the first of its kind in Asia – will address the complex issues raised by investor-State arbitration, with a particular focus on the Asia Pacific region, following the signing of the Trans-Pacific Partnership Agreement (TPPA).

Through its many attentive sessions, luncheons, and evening receptions – the KLRCA International Conference on Investment Arbitration 2016 seeks to encourage and induce active participation and interaction amongst the brightest practitioners, leading regional and international institutions, eminent professors/researchers and investment treaty arbitration enthusiasts from around the globe.
