Remit

The Taught Programmes Board has a specific remit for the consideration of new programme proposals (and associated modules) and amendments on behalf of Senate. The responsibilities of the Taught Programmes Board are as follows:

4. To recognise the contribution that can be made to the process by school/institute learning and teaching lead staff and committees.

Terms of reference

1. To consider the detailed academic proposal for new taught programmes of study and related modules (including those delivered through collaborative provision);
2. To consider new module proposals where these are related to a new programme of study, or are delivered through collaborative arrangements, work-based learning, study-abroad or distance learning;
3. To approve new taught programmes either with or without conditions;
4. To consider and approve significant proposals for amendments to programmes of studies;

Information on Variable Four and Three Year Terms of Office

Fifty percent of nominated members will serve for a period of three years, and the remaining fifty percent for the full four year term to minimise the need to nominate the complete constitute at the same time and ensure some membership continuity.

Where 50% or less of the vacancies for each constituency have been filled, nominated candidates will automatically be given a four year term of office. In the event of an uneven number of candidates in each constituency, the number assigned a four year term will be rounded up. When subsequent nominations are made the remaining candidates will be assigned a three-year term of office.
