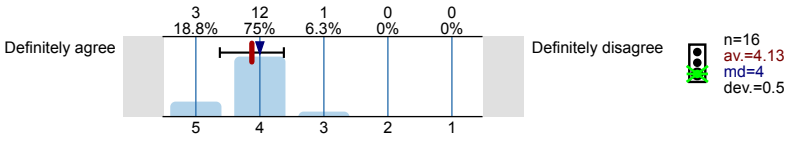
Mean value is below the quality guideline.

Mean is within the range of tolerance for the quality guideline.

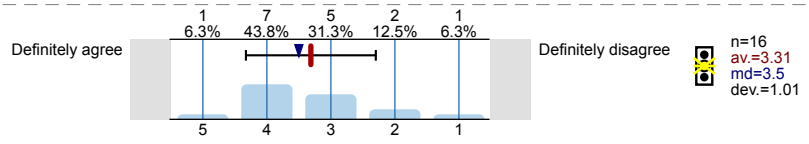
Mean value is within the quality guideline.

1. **Rate this module**

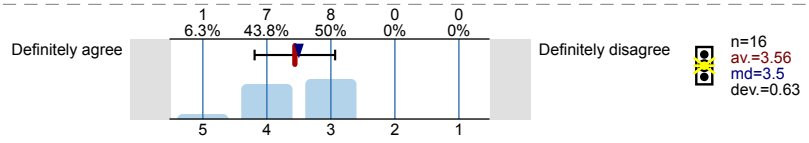
1.1) The module is well taught



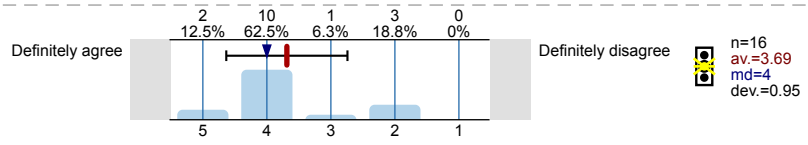
1.2) The criteria used in marking on the module have been made clear in advance



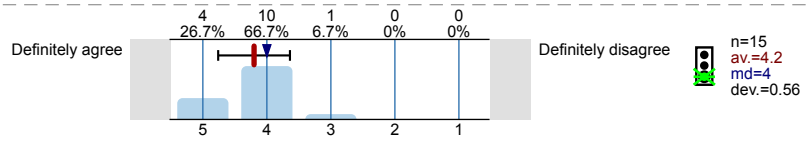
1.3) I have been given adequate feedback during the module



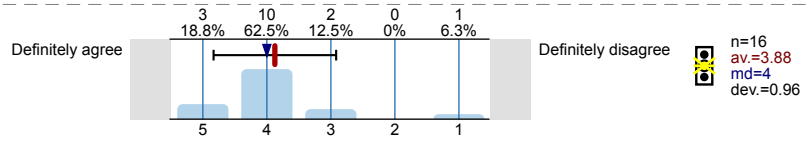
1.4) I have received sufficient advice and support with my studies on the module



1.5) The module is well organised and runs smoothly



1.6) I had access to good learning resources for the module



1.7) Overall I am satisfied with the quality of the module
